

TIPS TO PREVENT DROWNINGS AT HOME

- Always stay within an arm's reach of your child when he or she is in or near the bathtub, toilet, pools, spas or buckets.
- Never leave your child alone or in the care of older children during bath time.
- Once bath time is over drain the tub immediately.
- Empty all buckets, containers and wading pools immediately after use. Store them upside-down and out of children's reach.
- Keep toilet lids closed and use toilet seat locks.
- Never leave your child unattended in a tub or around any other body of water, even if he or she knows how to swim.
- Keep doors to bathrooms and laundry rooms closed.
- Infants in baby bath seats and rings must be watched every second.
